Rangers Work Overtime

Marquette picks up two wins against North Stars

The Marquette Rangers couldn't have picked a better weekend to pocket their first sweep of the season, knocking off the North Division-leading Traverse City North Stars twice in dramatic overtime

fashion.

"We knew going in we would have our hands full," said Rangers head coach **Kenny Miller**, whose team improved to 8-10-3 on the season. "That's a good Traverse City team, so for us to come out and play with that kind of emotion was good to see as a coach."

On Friday, **Michael Thompson**'s goal in the extra session lifted the Rangers to a 3-2 victory. **Kyle Heck** and **Dustin Partacz** scored in regulation for Marquette, and goaltender **Dan Sullivan** turned aside 34 shots.

James Gallagher struck in overtime the next night as the Rangers bested the North Stars, 2-1. Reed Rushing rang up the other Marquette marker, and Sullivan made 22 saves between the pipes.

"We played hard, competed for loose pucks, won the 1-on-1 battles and we got solid play in our own end," said Miller.

And Sullivan took care of the rest, allowing only three goals the entire weekend. Since being acquired recently from the Omaha Lancers of the USHL, the 19-year-old from York, Pa., is carrying a stingy 1.78 goals-against average along with a .928 save percentage in five appearances.

"Dan has been outstanding back there," said Miller. "He gives us a chance to win every night and when your goaltenders do that, good things usually happen for your hockey club."

Gallagher, who recently committed to the University of Connecticut for next season, has led the Rangers' offensive charge in the early goings. The 20-year-old Marquette product has 17 points on six goals, including his sweep-clinching tally on Saturday.

"When Jimmy is going and playing hard and doing all the little things to help this team win, he's a guy who can turn a game around," said Miller. "He worked hard for his OT goal and I'm happy for him."

Miller is also ecstatic with the early returns of Rushing, a defenseman whom the Rangers acquired in a trade for forward **Josh Bussell** earlier this month. In his first five games with Marquette, the 20-year-old NAHL veteran from Seattle has pitched in a goal and two helpers.

"He's starting to take on a leadership role on the blue line and you can tell by his play," said Miller. "He's very poised back there."

With a fourth-place position in the North Division standings, Miller, in his first season behind the Rangers' bench, was hoping for a better start to the season, but is confident last weekend's wins over the North Stars will inject some newfound energy into his locker room.

"We had a slow start, but we feel we're starting to turn the corner and we also understand that we have to play each and every night with the kind of passion we played with this past weekend," said the coach.
